

REFEREE'S REPORT FOR THE CHAMPIONSHIP SHOW

MISS S DONALD- LOCHEIL VIOLETS ARE BLUE.

General appearance was well proportioned and she moved with strength and smoothness. In excellent muscular condition

Head and shoulders gave her a first class outline when moving. She was alert and confident when being examined.

Altogether a very good quality bitch.

MR. AND MRS R GREEN.- SH. CH.FAYKEN I AM LEGEND

Another very good specimen who was shown in a good hard condition. Sound in all departments but did not move consistently well. He was not as confident when moving slowly. Temperament was good.

Overall both animals were a credit to their owners and should go on to have many more successes.

Regards,
Bob Henry
