

I would like to thank the officers and committee of the Border Collie Club of Great Britain for inviting me to be the referee at their 45th anniversary show.

As referee I was called on to present the Best in Show & Best Puppy in show awards

Best In show

Shemella Moonlight Skye.

Ultrafeminine bitch with a beautiful head with the sweetest of expressions, lovely body shape.

Well muscled, good reach of neck, firm top line and held well on move. Just melted my heart.

Well presented and moved very well with handler.

Best Puppy in Show

Two lovely quality puppies.

Best puppy in show was awarded to the dog, Laceway Don't Stop me Now. Lovely young dog, good body shape. Moved well & attentive to handler, very well presented.

Reserve Best Puppy in show was Altricia Hey Lucky Lady, another lovely young puppy, such a cute, lovely body shape, nice dark eyes, just pipped to the top award. Well handled & presented.

Both these youngsters should have a bright future.
