

Border Collie Club Of GT BRITAIN 11.11.17 Open show:

I would like to the Committee of The Border Collie Club of Great Britain for the invitation to judge bitches. I thoroughly enjoyed my day and thank the exhibitors for bringing their dogs and accepting my decisions in a sporting manner.

PB (1) 1 Large's Wizaland Solitaire. Nice puppy with a feminine head, full of life and needs to settle down so that her movement could be assessed. Nice eye giving a pleasing expression and ears which she used from time to time. RBPIS.

JB (8, 3) 1 Austin's Hysteps Made To Measure. Well shaped bitch with a pleasing head. Good body shape, good neck and moved well.

2 Greening's Kanamaren Hold On My Heart. Another well shaped bitch who took time to settle. Feminine head with a good neck and when settled moved well.

3 Tiller's Lesnuages Persephone By Foxbarton.

YB (6) 1 Oliver & Ratcliffe's Arroddare Game On. A little heavy in the head for me although she had a good neck and shoulder. Ear placement was good and she moved quite well.

2 Preston & Large's Wizaland Breakaway Beth. Slightly smaller bitch with a feminine head, well shaped eye and moved quite well.

3 Hamson's Wizaland Celestial Sapphire.
