

Forty years ago I wouldn't have envisaged this day coming & as a forces veteran on Remembrance Sunday a day I won't forget. My thanks to all concerned for this appointment with special thanks to the chef for lunch. To all exhibitors thank you and if you didn't get the award you wanted you still have beautiful dogs in my eyes. Overall bites were good with one exception but to breeders I am becoming concerned about tail lengths with many just reaching the hock and what happened to that white swirl at the tip.
